Ms. Robin Kelly  
Federal Election Commission  
999 E Street, NW  
Washington, D.C. 20463

Dear Ms. Kelly:

Thank you for your letter of January 7, 1997 regarding the 12 Day Pre-General Report (10/1/96-10/16/96). This letter was received on January 14, 1997 at my home.

With regards to your first itemization, upon review of the report, we have discovered why the two itemized contributions referenced by your attachments appeared to exceed the individual contribution limits. The \$1000 contribution from Ray Anthony which was disclosed on this report was received and promptly designated for 1996 primary debt retirement, but a data-entry error resulted in the contribution being disclosed on the report as a general election contribution. The same mistake occurred with the \$300 contribution from Frank Marckisotto which was also disclosed incorrectly on this report. We have corrected these mistakes on the amended report. Please be assured that a full review of all of our contributions determined the committee received no excessive contributions.

With regards to your second itemization, we have amended the report to correct these discrepancies.

It is our expectation that the amended pages of the report and this letter of explanation addresses all of your questions, however, if you need any further information please do not hesitate to contact me.

Sincerely,

Karen Oleyar  
Treasurer
